Administration reserves the right to reschedule any Match of the HCS to accommodate a specific broadcast time. Participants cannot refuse this reschedule. Refusing to allow Administration to broadcast or reschedule any Match may result in penalties as prescribed in the Code of Conduct.

Administration may require additional, reasonable actions from Participants to help facilitate and execute the broadcast of tournament matches. Participants are expected to cooperate with and comply with Administration. These expectations may include, but are not limited to:

- Being online and ready to play up to 30 minutes before the start of the scheduled Match.

For HCS events, teams will be required to be available for scheduled media content and photoshoots. Teams may be required to be in Administration approved uniform. Best efforts will be made to provide media and photoshoot details prior to arrival. Teams may need to be flexible depending on shooting schedules. Teams and Players may not refuse participation and any such behavior or tardiness may result in disciplinary action, including a penalty. Teams will be required to arrive and depart on specified days in order to fulfill Media Day requirements. For Match Interviews, each team must nominate at least one Player to be available for interviews before, during, or after any Broadcast Match. Nominated Players may not refuse to conduct an interview.

### **A. Stoppage of Play**

Players are not permitted to cause the premature cessation of gameplay ("Stoppage of Play") without the explicit permission of a Referee or other representatives of the Administration.

Actions that would be considered committing Stoppage of Play include but are not limited to physically leaving the designated play area, manipulation of equipment resulting in the cessation of gameplay, ending the game via the in-game menus, or causing permitted time frames to extend past their designated parameters.

Players who are found to have committed Stoppage of Play may be subject to Game forfeiture or penalties as prescribed in the Code of Conduct.

### **B. Bugs**

#### **1. Major Bugs**

A Bug is defined as an unintended occurrence within gameplay. In the event of a Bug the Administration will review the incident and surrounding circumstances, classify the Bug, and determine the appropriate response.

A Major Bug is defined as an unintended occurrence within gameplay that the Administration, at its sole discretion, has deemed to be an insurmountable hindrance to the continuation of gameplay or the integrity of the Match.

The occurrence of a Major Bug, deemed as such by the Administration and in its sole discretion, may result in a Game Restart (as prescribed below) or in the awarding of a Match win to a Team. All Major Bugs are considered on a case-by-case basis and the Administration reserves the right to review the Major Bug's effect on gameplay and to levy an official decision in response to the bugs.

**Last Updated:** November 2021

**Version:** 1.0

## **2. Minor Bugs**

A Minor Bug is defined as an unintended occurrence within gameplay that the Administration, at its sole discretion, has deemed to be at most an inconvenience to Players and does not pose a hindrance to the continuation of gameplay or the integrity of the Match.

The occurrence of a Minor Bug, deemed as such by the Administration and in its sole discretion, would not result in a restart of the Game and any Game in which a Minor Bug has been identified should be played until completion.

## **C. Ties**

### **1. Slayer**

In the event a Slayer game ends in a tie, the game will be replayed in its entirety for one (1) game. If the second game ends in a tie, the game will be replayed with a 25 point limit. The 25 point limit will be used indefinitely if the games continue to end in a tie. The replayed game(s) will utilize the same side selection for both Teams.

### **2. Capture the Flag**

In the event a CTF game ends in a tie, a new game will be played with a sudden death rule, where first team to capture a flag will be declared the winner. The replayed game(s) will utilize the same side selection for both Teams.

### **3. Strongholds**

In the event a Strongholds game ends in a tie, the game will be replayed in its entirety for one (1) game. If the second game also ends in a tie, the game will be replayed with a 100 point score limit. The 50 point score limit will be used indefinitely if the games continue to end in a tie. The replayed game(s) will utilize the same side selection for both Teams.

## **D. Game Restarts**

A Game Restart is defined as the decision by the Administration, at its sole discretion, to begin gameplay from a previous point in the Game. Situations in which the Administration may deem a Game Restart to be appropriate include but are not limited to a critical malfunction of Provided Equipment or the occurrence of a Major Bug.

Games that have been interrupted to a point where the Administration has deemed continuation of gameplay to be untenable or a threat to the integrity of the match will be restarted.

Games in which a restart has been deemed warranted shall resume from a point determined by the Administration in their sole discretion.

### **1. Slayer**

If Administration decides that a restart is warranted for a Slayer game, Administration, in its sole discretion, may (a) restart the game in its entirety from the beginning; or (b) restart the game with modified Win Conditions to emulate the game state conditions that were present prior to the event that prompted the restart. The restarted game will utilize the same side selection for both Teams.

**Example (restart option b):** Team A is leading 27-22 (5 points) against Team B and an equipment failure causes Administration to restart the game. In the remade game, Team A must score 45 points (50 points [score-to-win limit] - 5 points [score difference] = 45 points) and team B must score 50 points to win.

### **2. Capture the Flag**

If Administration decides that a restart is warranted for a CTF game, Administration, in its sole discretion, may (a) restart the game in its entirety from the beginning; or (b) restart the game with

modified win conditions to emulate the game state conditions that were present prior to the event that prompted the restart. The restarted game will utilize the same side selection for both Teams.

**Example (restart option b):** Team B is leading 1-0 (1 point) against Team A and an equipment failure causes Administration to restart the game. In the remade game, Team B must score 2 (3 points [score-to-win limit] - 1 [score difference] = 2 points) and Team A must score 3 points to win.

### **3. Strongholds**

If Administration decides that a restart is warranted for a Strongholds game, Administration, in its sole discretion, may (a) restart the game in its entirety from the beginning or (b) restart the game with modified win conditions to emulate the game state conditions that were present prior to the event that prompted the restart. The restarted game will utilize the same side selection for both Teams.

**Example (restart option b):** Team A is leading 90-70 (20 points) against Team B and a player disconnects. In the remade game, Team A must score 230 points (250 points [score-to-win limit] - 20 [score difference] = 230 points) and Team B must score 250 points to win

### **4. Oddball**

If Administration decides that a restart is warranted due to an event in Round 1, Administration may restart the Oddball game in its entirety from the beginning. The restarted game will utilize the same side selection for both Teams.

If Administration decides that a restart is warranted due to an event in Round 2, Administration may restart the game, but modify the win conditions so that the Team that won Round 1 needs to win one (1) Round before the opposing team wins two (2) Rounds. The restarted game will have Teams change their side selection.

If Administration decides that a restart is warranted due to an event in Round 3, Administration may restart the Oddball game, but modifying the win conditions so that the Team that wins Round 1 in the restarted game will win the game. The restarted game will utilize the same side selection for both Teams.

## **E. Game Dispute Procedure**

### **1. In-Game Disputes**

Should Players have an issue with any aspect of their current Game's execution, be it due to the occurrence of any kind of Bug or a decision made by a Referee or the Administration, Players are expected to immediately raise their concerns to a Referee. Players are expected to continue to play their Match unless otherwise instructed by the Referee. The Referee will then evaluate the issue and make a final judgement while communicating next steps.

The final ruling of the Administration is considered binding.

### **2. Post-Game Disputes**

Players are free to express concerns after the conclusion of a Match or Game but should be aware that decisions made by the Administration during the Match or Game are considered binding. It is highly advised that Players raise any and all concerns immediately at the time of occurrence.

**Last Updated:** November 2021

**Version:** 1.0

Game and Match results will be considered final if there are no outstanding disputes raised within the designated window to dispute the results of a Game (the "Dispute Window"). The Dispute Window closes at: (a) the start of the following Game within a Match; (b) the start of a subsequent tournament Match from any of the Teams within the respective Game or Match; or (c) fifteen (15) minutes after the conclusion of the Match, whichever occurs first.

The final ruling of the Administration is considered binding.

- Informing players of the map and sides for the match
- Enacting the beginning of the match
- Maintaining a consistent presence and monitoring for foul play or technical issues
- Reporting the final score of the match to be officially recorded

### 3. Broadcast Match Procedure

Referee(s) may be present for the execution of matches taking place in association with a broadcast. Responsibilities of Referees serving in this capacity includes the following:

- Taking inventory of Teams that are present prior to the designated match start time and that proper penalty procedure is enacted
- Informing players of the maps, game types, and sides for the match
- Coordinating with the broadcast team in real-time to ensure tournament time-tables are kept
- Enacting the beginning of the match
- Maintaining a consistent presence and monitoring for foul play or technical issues
- Reporting the final score of the match to be officially recorded

### J. Host Selection

Online matches shall take place in official Halo Infinite lobbies, which utilize dedicated servers for all matches. Responsibility for formation of a match lobby will be granted to the higher seeded team.

### K. Coaches

Coaches are not permitted to spectate live matches from within the game at any point during online competition. Violation of this rule will be considered cheating and is subject to the Code of Conduct and associated penalties.

## XV. Travel Coverage

Teams may qualify for travel coverage to HCS events based on Halo Pro Point rankings and roster submission. Travel coverage (travel and accommodations) is included for 4 Players and a coach. Travel Coverage may be provided in the form of either stipends or travel booked by the tournament organizer. Posted rules for each event will determine the specifics, including required arrival and departure days.

## XVI. HCS Points

Throughout the course of the Program, Participants will be awarded HCS Points corresponding with their performance in select LAN Events and Online Events. The Program will award HCS 4v4 Points for performance in 4v4 team events and HCS FFA Points for performance in FFA events. These points may be used for seeding and / or qualification for events throughout the Program

### A. Event Seeding

#### 1. Major Events

HCS 4v4 Points will be used to seed Participant's initial placement for Major Events. Because players participate in regionalized ecosystems, it may be necessary to adjust the total amount of a Team's HCS 4v4 Points when interregional play is present at a Major Event to gain a more precise snapshot of overall rank.

Seeding at Major Events will be determined by **Global Team Points**, as follows:

$$\text{Global Team Points} = \text{Global Points} + (\text{Regional Points} \times \text{PRD Ratio})$$

Whereas:

**Last Updated:** November 2021

**Version:** 1.0

**Global Points** is the total number of HCS 4v4 Points earned from each Team's roster member (as of the roster lock date for that event) at non-region locked events (i.e. Major Events)

**Regional Points** is the total number of HCS 4v4 Points earned from each Team's roster member (as of the roster lock date for that event) at their region's region locked events

$$PRD \text{ Ratio} = \frac{\text{Regional Points}}{(\text{Regional Points of the top, non - pool play Team within the same Region})}$$

## 2. Online Events and Regional Championships

HCS Points will be used to seed Participant's initial placement in Open Series Tournaments, Regional Qualifiers, Supers, Amateur Championship, and Regional Championships.

Only one (1) Region's HCS 4v4 points can be used for seeding at a time. In the event Administration approves a Player's region change, the Regional Points earned will not be used for seeding in the Player's new region locked events or Major events.

### B. HCS Points Decay

Throughout the season, HCS 4v4 and FFA Points will be subject to a "Points Decay", which reduce the value of all HCS points earned by all Players by 90%. The Points Decay will occur on the following dates:

- Preseason Decay: Friday, December 31, 2021
- Split 1 Decay: Monday, May 27, 2022

### C. Distribution

HCS 4v4 and FFA Point awards for placements will be made available in the specific Event Rules in advance of the competition.

## XVII. Prizing

### A. Distribution

Prizing for each competition will be evenly distributed amongst all Players on the competition roster for the associated event. For the avoidance of doubt, Coaches are not considered members of the competition roster as it relates to prize awarding. Individual Players must notify Administration if they wish to transfer their prize money to an organization or company.

Administration will make reasonable efforts to distribute prizing to Participants within sixty (60) days after Administration has received all necessary payment information from the Player.

Players are responsible for any and all costs and expenses associated with their prize that are not specifically set forth herein. National, state and local taxes, including possible VAT taxes, which are associated with the receipt or use of any prizes are the sole responsibility of the Player.

Players will not be allowed to claim cash prizing or cash-value prizing if the Player resides in a country currently subject to financial sanctions by the United States of America that prohibit financial transactions or payments to their country of residence.

Full prizing distribution breakdowns by event is to be found in **Section D** of the Appendix.

Final event specific prize pools are subject to change and may be increased due to crowdsourcing initiatives or other measures.

## XVIII. Reservation of Rights

Each Participant agrees that Administration shall own, and shall be the sole owner of, the Materials, the Submissions and all data and statistics relating to a Player's gameplay during the Program and all feeds and data streams of such data and statistics ("Data"). Administration, its respective designees, assignees and licensees shall have the right to edit, exploit, adapt, distribute, post, create derivative works from, and otherwise use the Materials, Submissions or Data, in whole or in part, and in combination with other materials, in any manner now or hereafter devised, for any advertising, promotional, trade, commercial or other purposes in any and all media, now or hereafter devised, throughout the universe in perpetuity, without further payment or consideration, notification or permission. Administration shall not incur any liability whatsoever to the extent Administration chooses to refrain from any exploitation of its rights hereunder. Each Participant will indemnify Administration and Affiliates, and any licensee of Administration against all claims, damages, liabilities, and expenses (including reasonable counsel fees and legal expenses) arising out of any breach of these terms. Each Participant agrees to take, at Administration's expense, any further action (including execution of affidavits and other documents) that Administration reasonably requests to effect, perfect or confirm Administration's rights as set forth in these Rules.
